

AF 12mm F2 E APS-C

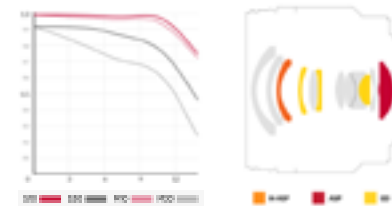

A Perfect Match with Compact APS-C Cameras

The feature set and overall performance of the AF 12mm F2 E Compact Ultra Wide Angle lens for APS-C Sony E-mount Cameras are unmatched by any in its class.

At 7.51oz in weight, 2.33" in length, this compact, rugged, yet light-weight autofocus lens offers the best combination of value and performance than ever before.
